Thank you for submitting the map and description of your district plan. You can stay up to date on the districting process by checking the city's website [maphayward.org](http://maphayward.org):

A copy of your District submission is attached in these three formats: a PDF, a shapefile, and an equivalency file.

The shapefile and equivalency file can be used in mapping software. The PDF is an easy way to PRINT (show others) what you sent to the City Council, or share it ELECTRONICALLY or on social media to encourage friends and family to participate in this important process.

Thank you again for your participation!

Hello!

Sending along this note in support of Draft Map 3 as it appears to keep a large number of communities of interest intact. It also respects community boundaries.

Thank you very much for your dedication to an inclusive process.

I don't like this idea about district voting. I want to vote for all people who want to be in city politics.
